- ⊖ Water Meter or Valve
- ⊘ Utility Pole
- ⊠ AC or Heat
- ⊞ Lamp Post
- ⊟ Not to Scale

There was no attempt in the field to determine the location of or the extent of possible encroachments beneath the surface. Partial location of surface utilities may be shown for information purposes only. It is the clients responsibility to request utilities to be marked by proper authorities prior to survey if location is required. I hereby certify that all parts of this survey and drawing have been completed in accordance with the current requirements of the Standards of Practice for Surveying in the State of Alabama to the best of my knowledge, information, and belief. Work product prepared by Surveyor may not be altered or reproduced in any way nor used on any other project or for any purpose other than specifically requested by client and authorized by Surveyor. Maps, legal descriptions and all original papers, documents, maps, surveys, and other work product of Surveyor, and copies thereof, produced by Surveyor not for use by any other person, except documents which client is required to file with public agencies. Client is responsible for maintaining property corners and lines. No title work or deeds were provided by client. Title search and title insurance are the responsibility of client. This document shows field evidence and does not warrant title.
